

# CORRUGATED BOXES

Corrugated boxes are the most popular packaging material to protect, transport, display, and sell your product. Corrugated cushions products throughout the supply chain and its stacking strength helps stabilize contents. We are a full service corrugate manufacturer and beyond these handy in stock boxes can create almost any style, size, and graphically printed box you can imagine.

CORRUGATED

## CORRUGATED BOXES - STOCK

**RSCs (Regular Slotted Container)**  
are the most common type of shipping carton. You simply fold and tape to seal.

\* Easily adjustable. Extra depth score allows you to quickly and conveniently reduce the height of the box by 2" (51mm).
